# 2021 MHMGT – BENEFICIARY

It's Us Foundation is a team inspired by the passing of a friend to make a difference in his memory by organizing fundraising events to aid charity groups in our community. We make a commitment to focus our efforts on organizations that benefit the most innocent among us: animals and children. With significant contributions to the Central OK Humane Society, Boys & Girls Clubs of OKC, Folds of Honor Foundation, Positive Tomorrows, and The Children's Rehabilitation Center Hospital, we have done just that. Now in our 5<sup>th</sup> year, we are continuing that tradition with Oklahoma Cleats 4 Kids.

## THE MISSION

C4K empowers kids to live healthier lifestyles and learn life lessons through sports by providing sports shoes and safe equipment to kids in need. It is a unique, one-of-a-kind mission in our community. By getting more kids involved in sports, C4K changes lives and gives underserved kids hope and self-confidence. The organizational mission also promotes kids helping kids by encouraging giving back to their community and starting them down a path of philanthropy beyond mere volunteering.

## THEIR STORY

C4K started in 2011 from a pile of basketball shoes, soccer cleats, and football gear in the corner of an Oklahoma City garage. The McDaniel family saw what their children had outgrown and realized that the shoes that no longer fit Cole, Josh or Meghan could benefit someone else. Thus, C4K was born.

Since its founding 2011, C4K has experienced exponential growth in the amount of equipment distributed. C4K has distributed 156,000 items total to athletes in need, and impacted 107,000 kids. They currently partner with 50 youth organizations and 208 Oklahoma school districts, with 24 equipment drop off locations.

C4K's mission of equipping and empowering kids is made possible by hundreds of volunteers. There are many ways to get involved: working in the Locker Room, acting as a C4K Team Captain, hosting a donation drive and more!
